## Key Result Areas:

### Key Performance Indicator (KPI) 1 - Development of Learning Material

Development of appropriate learning material for the delivery of the learning outcomes of the curriculum and develop activities which enhance learning opportunities.

What will I be doing?	How will I know I am doing it well?
Develop the appropriate lecture material using multimedia.	The material is current, complete, and meets UCOL's standards.  Each module has a variety of tasks to ensure that well-rounded learning is achieved.
Develop student workbooks.	
Develop an interactive learning internet site for subjects taught.	
Develop formative assessment tasks and model answers.	
Develop practical activities and laboratories.	

### Key Performance Indicator (KPI) 2 - The Delivery of Learning Material

Provide high quality delivery of learning material and assess learning outcomes using a variety of appropriate assessment tools.

What will I be doing?	How will I know I am doing it well?
Delivery of the material is done so in an energetic manner and with enthusiasm.	Ākonga and peer evaluations are positive. The incumbent is able to constructively self-reflect.  The assessment schedule meets the moderation requirements.
Delivery of the material is done so in a structured and coherent manner.	
The assessment schedule is developed for each module.	
All learning outcomes are assessed with the appropriate ranges.	
Assessment tool meets assessment requirements.	

### Key Performance Indicator (KPI) 3 - Clinical Co-ordination

Provide coordination and support to the clinical centres where students are on practicum placements.

What will I be doing?	How will I know I am doing it well?
Facilitate the delivery of the clinical component of the Bachelor of Applied Science (Medical Imaging Technology)	Ākonga are fully aware of all requirements/responsibilities while on placement. Clinical tutors are aware of and carry out their responsibilities regarding UCOL students on placement.  Ākonga have a positive experience on placement and are provided with the appropriate support where needed.
Coordination of clinical supervisors & clinical tutors within their clinical environment.	
Coordination and support of students before and during their practicum placements	

### Key Performance Indicator (KPI) 4 - Academic Records

Maintain appropriate academic records to meet faculty requirements and ensure high quality standards.

What will I be doing?	How will I know I am doing it well?
All student grades are appropriately recorded using ARION.	Student grades are entered into ARION in a timely manner to ensure the database is kept current.  Provides documented analysis of student reviews and self-reflective analysis.
Clinical work records are maintained.	
Conducts student reviews on all units.	
Conducts a self-reflective analysis on each unit.	

### Key Performance Indicator (KPI) 5 - Professional Development

Maintains currency of knowledge aligned to programme and organisational goals.

What will I be doing?	How will I know I am doing it well?
Develop a plan to either improve current qualifications and/or add to personal publication / presentation portfolio.	Actively participates and documents performance review process for the Faculty and UCOL's professional development programmes.  The incumbent passes papers and/or submits a paper for publication or conference presentation.
Keeps specialist knowledge current.	
Develops a plan to improve delivery capacity and ability.	

### Key Performance Indicator (KPI) 6 - Stakeholder Relations

Build and maintain UCOL's stakeholder relationships.

What will I be doing?	How will I know I am doing it well?
Develop and maintain strong stakeholder relationships within industry.	UCOL is well placed to maximise communications with industry and provide students with opportunities to connect with key stakeholders.  Industry engagement with students and UCOL will promote UCOL and its students as market leaders.
Plan and facilitate real work projects / internships / guest lectures / networks for ākonga.	

### Key Performance Indicator (KPI) 7 – Ākonga focus

Maintain a focus on and an availability to ākonga.

What will I be doing?	How will I know I am doing it well?

Maintains good ākonga relations.	
Identifies, develops and delivers appropriate programmes for Māori and Pacifica learners, including assisting implementation of Te Atakura, and in consultation with Iwi.	

## Key Performance Indicator (KPI) 8 - Health and Safety

As an employee, under the Health & Safety at Work Act 2015, you are deemed to be a “Worker” and are responsible for the practical implementation of the systems and processes established to protect your health, safety and wellbeing while not endangering others. As an employee of UCOL, employees must ensure that they comply with UCOL’s Health and Safety Policies, Procedures, and any Standard Operating Procedures along with any relevant Legislation or Industry Standards, which apply to the delivery of their tasks or are required by their Faculty or Department.

What will I be doing?	How will I know I am doing it well?
Undertake your work safely and do not participate in activities that may place yourself and others in danger or at risk.	Nothing that the incumbent does or doesn’t do results in others being put in danger or risk or harmed.
Comply with all health and safety information, instruction, training, and supervision.	You actively participate in any health and safety training appropriate to the role, and will at all times comply with health and safety policies, procedures and standards.
Report any health and safety hazards, incidents, and near misses accurately and in a timely manner to your Line Manager and enter into the electronic health and safety management system (Vault).	All health and safety hazards, incidents, and near misses are required to be entered into the health and safety management system immediately. If this cannot be done immediately, it must be done as soon as practicable after the hazard, incident, near miss occurred. Serious incidents and hazards should also be reported immediately to the Line Manager and verbally to your Senior Manager and entered into the health and safety management system.
Comply with all requirements of return to work or rehabilitation plans.	You will comply with all of the requirements of a return to work or rehabilitation plan to ensure that they return to work in a sensible, healthy, and safe way.
Report any faults or issues relating to health and safety into the Vault, Health & Safety Management system and ensure that your Line Manager is kept fully informed of any issues.	Any faults or issues relating to health and safety need to be reported to your Line Manager and/or to the Health and Safety team immediately. If this cannot be done immediately, it must be done as soon as practicable after becoming aware of the fault or issues.

*To be successful we need to work as a team, so the responsibilities set out in this job description are not exhaustive. As a result, after mutual agreement, we may require you to undertake other reasonable tasks as required, which are within the ability of the jobholder.*
